

## **DIEHL'S TRUCK WORLD**

### Diehl's Credit Policy

Please be advised that the credit limit we issue is the **maximum** you will be able to charge. For example, if you reach the maximum credit on the first invoice, you will not be able to charge any more until that balance is satisfied. Also, we will not be able to order parts or service a vehicle until balances are paid in full.

For all other balances not exceeding the credit limit, all payments are due upon receipt of statement and no later than the 15<sup>th</sup> of the month.

If this policy is not acceptable by the person or company filling out the credit application, we do have other alternative forms of payment that we do accept.

They are as follows:

**VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS**

***Please review this policy carefully! We will not make any exceptions to this policy.***

Thank you,
